Celebrating 149 Years Together!

Celebrate 150 Years of Music with The Quakertown Band: 1877–2027!

Get ready for a spectacular and unforgettable year of music as The Quakertown Band marks its incredible milestone of **150 continuous years** of performance in 2027! We've crafted a special season of events to honor our rich history and look forward to the future.

Our current 2027 Plans Include:

- **Cinematic Collaborations:** A combined concert with the Philly Pops in Quakertown, featuring a new work commissioned specifically for us by renowned film composer Rossano Galante.
- **Jazz Legends:** A joint concert with the Glenn Miller Orchestra featuring a world-premiere composition, and a drone show synchronized to our live music.
- **Multimedia Art:** A collaboration with a local dance troupe and world-renowned Quakertown artist Steve Tobin, who will create live visual art on stage inspired by our performance.
- **Preserving Our Sound:** The production of a new studio recording, which will feature a collection of new music written specifically for The Quakertown Band in recent years.
